

## SCREENING GOD'S CALLS

A Dutch artist has set up a local telephone number in the Netherlands where he urges people to leave messages for God on his answering machine. Johan van der Dong said he set up the number to give people an opportunity to take pause and contemplate life. Starting March 7 the answering machine says, "Hi, you are speaking to God. I'm not in right now so leave a message at the beep." Call 06-4424-4901 or +316-4424-4901 if calling from outside the Netherlands.

How much in long-distance charges will I incur to call God?

It's hard to really take a guy named Van Der Dong seriously.

Yeah, God's too busy giving awards to rappers and sports teams.

Beeep... "Hey Dong... get a real job!"

You'd think God would be a toll free call.

"Hey God, you there? Pick up. God? Pick up. Pick up"

Instead of a beep shouldn't it be a harp or something?

Ask Listeners:

What would you say to God if you could leave a message on his answering machine?

## COFFEE, TEA OR METAMUCIL?

85 year old Billionaire and Viacom Chairman Sumner Redstone is dating a twenty something former flight attendant named Malia Andelin.\*\*\*

\*\*\*Sounds like her days of pushing a food and beverage carts are over.

\*\*\*Since she's an ex-flight attendant, she'll be real handy with an oxygen mask.

\*\*\*Old Sumner must like the way she gives airline safety rules in the nude.

## WE'RE NOT FAIR, WE'RE RYANAIR

Europe's biggest discount airline, Ryanair, may charge passengers to use toilets on its planes, adding to fees already imposed for beverages, stowed baggage, airport check-in and preferential boarding.

\*\*\*Next thing you know they're gonna start charging for landing the plane safely.

\*\*\*If I was a passenger I'd just take a dump in the vomit bag.

\*\*\*I'd pay an extra fee Sully as my pilot.

\*\*\*They're now charging for bodily functions?

## SPEAKING OF TRANSPORTATION....

Transportation Security Administration officials at New York airports say items seized in recent months have been downright bizarre. Some of the items seized are:

A frozen monkey head.

Was it the one that went ape sh\*t a couple weeks ago?

A drug stuffed cat.

I knew a drug stuffed cat, his name was

A suitcase full of cockroaches.

Wasn't that a Spin Doctors tune?

And seven pounds of chocolate covered heroin bars.

With a little bit of nougat

Which were to be delivered to Amy Winehouse.

That's two addictions in one.

According to TSA spokesperson Laura Uselding people are showing up at the checkpoint with loaded guns, explosives, and fireworks.

“Someone even once tried to bring a fully gassed-up power chain saw through a checkpoint.”

Michael Myers has to get around too.

Uselding said one of the more bizarre recent incidents at John F. Kennedy International Airport involved a Chilean family who attempted to push a dead relative through security in a wheelchair to skirt body transportation fees...

The airlines are charging you for dying now???

Sounds like Weekend At Guadalupe's.

**THIS IMPEACHMENT IS F-ING GOLDEN!**

Former Illinois governor Rod Blagojevich has signed a six-figure deal with Phoenix Books to write a book “exposing the dark side of politics.”

\*\*\*Well you know what they say, “write what you know”.

\*\*\*Weren't those hour and hours of expletive-filled tapes the dark side of politics?

\*\*\*I bet the book will be filled page upon page of cuss words.

\*\*\*He's also coming out with his own line of signature Blog Wigs.

## BETCHA CAN'T EACH JUST ONE

A Wisconsin woman said she discovered a Nokia cell phone inside a bag of Clancy's Ripple Potato Chips that she purchased at an Aldi store. Emma Schweiger of Janesville Township said she opened the bag of chips and felt something hard when she reached into it for a handful of the potato chips and found the cell phone.\*\*\*

\*\*\*Which she used the to call a lawyer.

\*\*\*I'd use the phone to call the Clancy potato chip company. "Yeah, I'm calling from a salty and grease-filled cell phone I found in my bag of potato chips."

\*\*\*I doubt Clancy's will be in her top 5.

## THE BUSH WORLD TOUR

Former President George W. Bush will be hitting the lecture circuit and giving a series of speeches around the world with the first one planned for March 17 th in Canada.\*\*\*

\*\*\*Hey now Letterman can resume his "great moments in former presidential speeches".

\*\*\*Are people really going to want to hear what he's got to say?

\*\*\*I think he's more qualified to be the new commercial pitchman for Shamwow.

\*\*\*It'll be called the Spinning His Wheels tour.

\*\*\*The Mission NOT Accomplished Tour.

\*\*\*Keep Your Shoes At Home Tour.

\*\*\*Trying To Repair My Tattered Presidential Image Tour.

\*\*\*His opening act will be Carrot Top
