### GOOD NEWS FOR HUNGRY HORNY GERMANS

A brothel in Berlin is trying to lure recession wary customers by offering a flat rate for prostitutes with unlimited food and drinks. The brothel says \$90 can now purchase time with any of the establishment's women plus all the food and drinks a customer can consume.

\*\*\*Sort of a Happy Hour with ho's.

\*\*\*Sounds like they want to lure horny fat dudes.

\*\*\*It's the only red-light district with a blue-plate special.

The brothel's bosses said that as a further measure to attract business, they are now allowing men to bring along their wives to share in the paid-sex experience.

\*\*\*"Honey, it's your lucky day!"

\*\*\*I think most wives would rather go to the Elks Lodge with their husbands.

\*\*\*Geez. I don't even like it when my wife goes with me to bowling night.
