### THIS IS YOUR CAPTAIN SLEEPING

The Federal Aviation Administration want to know what caused the pilots of a Go! Airliner to overshoot Hilo International Airport by 15 miles. According to a spokesman from the FAA they're investigating whether or not the pilot and co-pilot fell asleep while the plane was in the air between Honolulu and Hilo.\*\*\*

\*\*\*Well the flight attendant did bring both pilots a blanket and pillow.

\*\*\*The cockpit is one place you don't want somebody taking a power nap.

\*\*\*When they retrieve the little black box there better not be any snoring on it.

\*\*\*Fly the sleepy skies.

### RUN RALPH RUN

74 year old Ralph Nader announced a fresh new bid for the White House criticizing the top contenders as too close to big business. He also predicted his campaign would do better than in 2004, when he won just 0.3 percent of the vote as an independent.\*\*\*

\*\*\*Just another pretty boy with great speeches.

\*\*\*Finally, somebody Hillary can beat.

\*\*\*Nader will get that all important "I want to throw my vote away" vote.

\*\*\*Wow, somebody in the race who's actually older than McCain.

### MY PAWS ARE KILLING ME

Police dogs in Duesseldorf, Germany will soon be equipped with blue plastic fiber shoes. All 20 of the German and Belgian shepherds are currently being trained to walk in the shoes due to the high rate of paw injuries on duty. The shoes come in sizes small, medium and large and were ordered to match the officers uniforms.\*\*\*

\*\*\*I hope for their sake there's no matching doggie sweater involved too.

\*\*\*They're nicknaming them "Air Snoopys".

\*\*\*Just Doggie Do it.

Police in Victoria, British Columbia were alerted to a car on the highway with a naked man and two naked women having sex. The owner of the vehicle was traced from the license plates and officers waited at the address until the perverted perpetrators came home. Since the cops didn't witness any sexual acts the driver of the car was charged with driving without due care and attention.

\*\*\*They also got in trouble for doing 69 in a 55.

\*\*\*Somehow the trio managed to film it and put it all on YouTube.

\*\*\*The charge of "improper use a gearshift" was dropped.

### TOO MUCH CAKE CAN KILL

An investigation is being launched after a man in South Wales died during a cake eating contest. The man collapsed at a nightclub during the event at the end of the party to raise funds for an art exhibit.\*\*\*

\*\*\*Let them eat cake...but not too much.

\*\*\*This is gonna send shock waves through the competitive eating circuit.

\*\*\*I think this should be a lesson, leave competitive eating to the professionals.

Answer: Hit the snooze button on the alarm clock.

### CLINTON'S CLAWS COME OUT

Democratic presidential hopeful Hillary Clinton called rival Barack Obama a risky choice to lead U.S. foreign policy and accused Obama of inexperience abroad.\*\*\*

\*\*\*Unlike her husband Bill, who has a lot of experience with broads.

### MORE BAD TELEVISION

NBC has a new hit show called My Dad Is Better Than Your Dad. I could never have been on this show. Although if it was called My Dad Is Drunker Than Your Dad I would have had a shot.

Rejected show titles:

My Dad Is Sweatier Than Your Dad.

My Uncle Is Creepier Than Your Uncle.

My Kid Is A Bigger Disappointment Than Your Kid.

### LOOKS AT BOOKS

Valerie Bertinelli has a new book "Losing It: And Gaining My Life Back One Pound At A Time". Valerie, who is also the spokesperson for Jenny Craig, recently lost 40 pounds which she talks about in the new book. She also writes about her marriage to Eddie Van Halen which was hurt by drugs and infidelity. She said she was "destroying my body" trying to keep up with the rock and roll lifestyle. The couple separated in 2001 and were divorced this past December. The book is published by Simon & Shuster. I'm sure Valerie is doing radio interviews to promote the book. I bet she's be a great interview. Her publicist is Jill Fritzo at PMK/HBH in New York. 212-582-1111 Get on it!

### News NUGGETS

### AND THE WATER AWARD GOES TO

More than 120 water sources competed in the 18<sup>th</sup> annual Berkeley Springs International Water Tasting last weekend. A panel of 10 journalists and food critics sampled sparkling, tap, and bottled water from 19 states and other countries. The title of best municipal water was shared by the Metro water District of Southern California, which serves Los Angeles.\*\*\*

Who has the best tap water in your town? Sounds like a good safe and sane water tasting bit. Judge your local areas tap water. Or test tap vs. bottled water. Sneak in some toilet water...but of course don't really use toilet water because you'll get in trouble. You'll need a willing intern with a good personality for this H2O bit.

So the smoggiest city has the tastiest tap water.
