STRIPPER SCIATICA

43-year-old Christina Gamble of Pennsylvania is accused of illegally accepting workers' compensation payments while working as a stripper. Prosecutors say Gamble claimed she hurt her back at her waitressing job and couldn't work. A judge granted her \$360 per week in benefits. But private investigators working for the restaurant's insurance company say they taped her dancing at C.R. Fanny's Gentlemen's Club and Sports Bar later that year.

...Was she stripping to Baby Got Bad Back?

...I bet she was planning to injure her vajajay on the stripper pole.

...Sounds like the private investigators had a fun night on the job.

...A 43 year old stripper? She's like the Brett Favre of strippers.

...Instead of the Champagne Room she worked the Metamusil Room.

Give C.R. Fanny's Gentlemen's Club and Sports Bar a call.

MAN'S TOE BECOMES DOG'S CHEW TOY

A Michigan man credited his dog with saving his life by chewing off his diseased big toe as he lay passed out in a drunken stupor. Jerry Douthett woke up on a Saturday night to find his Jack Russell Terrier, Kiko, had gnawed off his right big toe. "The dog always lays with me on the bed," said Douthett. "That night, I woke up and looked down at my foot, and it was wet. When I looked it was blood, and there was the dog looking at me with a blood mustache."

...It's a dog eat toe world.

...Kibbles and bits of toe.

...Who needs health insurance when you got a toe eating dog?
