FIRST CAR FIRST KISS

A recent survey reveals a majority of men remember their first car better than their first kiss. The survey also says that younger men think getting behind the wheel is better than having a girlfriend.***

***I hope they remember what happened in the back seat.

***Question of The Day: What was your first car? Was it cool or a pile of crap? Talk about your first car, then go to the phones.

NOBODY LIKES IKE

The San Diego County medical examiner has ruled 76 year-old Ike Turner died of a cocaine overdose.***

***At his age the only powdery substance he should be taking is Metamucil.

***I guess we know what he blew all his his social security checks on.

MICHAEL'S MEMOIRS

British pop star George Michael has signed with Harper Collins for a deal worth a reported \$6 million to write a book about his personal and professional life.***

***With a forward by Senator Larry Craig

***The book is entitled Careless Wanker.

***When your career's hit the skids there's always a tell-all biography.

VIBRATING EGG BOMB

A Swedish bomb squad called out to disarm a suspicious package didn't find a ticking bomb, they found a vibrating sex toy. The package was humming and vibrating suspiciously, so police took no chances and sent out a team of explosives experts.***

***Instead of the bomb squad they should have called Dr. Ruth

***So the package wasn't from Al Qaeda it was from Frederick's.

DOESN'T ANYBODY REMEMBER THE YUGO?

A car company in India is unveiling the world's cheapest new car. Tata Motors' new \$2,500 four-door subcompact is being touted as the car that may soon deliver India and the rest of the developing world unprecedented mobility.***

***Although car buyers do get ripped off when they trade in their camels.

***The one drawback is you have to start it just like the Fred Flintstone car.

ALIEN NATION

Some residents in the farming community of Stephenville, Texas have reported sightings of what many believe is a UFO. Several dozen people, including a pilot, county constable and business owners, insist they have seen a large silent object with bright lights flying low and fast. One resident said the object he saw last week was a mile long and half a mile wide. "It was positively, absolutely nothing from these parts."

***Somebody alert Will Smith.

About 200 UFO sightings are reported each month, mostly in California, Colorado and Texas, according to the Mutual UFO Network, which plans to go to the 17,000-resident town of Stephenville to investigate. www.mufon.com is their website if you want to contact them. Phone: (888) 817-2220

Fourteen percent of Americans polled last year by The Associated Press say they have seen a UFO.

Ask listeners: Do you believe in UFO's? Ever seen a UFO?

Here are some celebrity UFO sightings:

John Lennon claimed to have seen a UFO outside his apartment in New York.

"It looked just like the spaceships we've all seen in the cinema growing up. It was so close I could almost touch it."

Former heavyweight champ Muhammad Ali has reported "strange, bright lights that take off across the sky and disappear."

Former President Jimmy Carter said this about his UFO sighting, "Darndest thing I've ever seen. It was big, changed colors, and was about the size of the moon."

William Shatner called his UFO experience, "An object glistening in the heavens."

David Bowie recalls as a boy "how they came over so regularly we could time them. Sometimes they stood still, other times they moved so fast it was hard to keep a steady eye on them."

Astronaut Buzz Aldrin witnessed a UFO during the Apollo moon mission. "It was sort of L-shaped."
